Enrollment and Eligibility

Coverage Designed for You

McCurtain Memorial Hospital's benefits program is available to active, full-time employees who are regularly scheduled to work 30 or more hours per week. As an active employee, you are eligible to enroll in medical, dental, life and AD&D, the cancer plan, short-term disability, and the accident plan. Basic life and AD&D is provided by McCurtain Memorial Hospital at no cost to you.

When do my benefits start?

Benefits begin on the 1st of the month following 30 days of full time employment.

Can I cover my dependents?

You may elect coverage for your dependents under the medical, dental and voluntary life plans. Eligible dependents include:

- Legal Spouse
- Dependent children up to age 26
- Dependent children may be covered beyond age 26 if mentally or physically disabled, living with the employee, and primarily dependent upon the employee for support
- Any child who is required by law to be covered as the employee's dependent under a Qualified Medical Child Support Order (QMCSO)

Electing Benefits and Making Changes

McCurtain Memorial Hospital offers medical, dental and vision premiums on a pre-tax basis. The payroll deduction for these benefits reduces your taxable income, creating a tax savings and increased take home pay for you. However, once an election is made on a pre-tax basis, it cannot be changed until the next annual enrollment unless you experience a Qualifying Life Event (QLE).

- During initial enrollment: You may enroll within 30 days from the date when you are first eligible for benefits. If you do not enroll in the benefits program when you are initially eligible, you may enroll at the next annual enrollment; however, evidence of insurability may be required.
- During annual enrollment: A new benefit election or change must be completed before the end of the designated enrollment period.
- When you experience a Qualifying Life Event: Major life-changing events can generate a qualifying family status change. A qualifying change in status will allow you to make changes to your benefit plan elections outside of the annual enrollment period. These events include, but are not limited to:
 - Marriage or divorce
 - Birth or adoption of a child
 - Qualified Medical Child Support Order (QMCSO)
 - Loss or gain of other coverage
 - Death of a spouse or dependent
 - Loss or gain of other qualifying coverage

If you have a qualifying family status change, you must notify Human Resources within **30 days** of the event. Requests received after this deadline will be denied and changes cannot be made until the next annual enrollment period.

Health Savings Account (HSA)

HSA BANK

www.hsabank.com

800-357-6246 - Client Assistance Center for Members

A Health Savings Account, or HSA, is a unique tax-advantaged account that can be used to pay for current or future healthcare expenses like deductibles, copays, coinsurance, vision & dental expenses that are not paid by insurance. To be eligible to open an HSA, you must be enrolled in a qualified high-deductible health plan, cannot be covered by any other non-HSA-compatible heath plan like Medicare Part A and B, TriCare and no one (other than your spouse) claims you as a dependent on their tax return. These funds roll over each year. If you use the funds for non-eligible expenses, you will not only have to take the funds as taxable income, but there will also be a 10% penalty prior to age 65. After age 65, you can take out the funds without any penalty but it would be taxable income unless it is used for qualified medical expenses. McCurtain Memorial Hospital will payroll deduct and deposit into your HSA account the amount you specify on your enrollment form. You can also put money into the account on your own up to the IRS maximum amounts.

For 2023, the maximum amount you can contribute to an HSA if you have employee only coverage HDHP coverage is \$3,850 or \$320.83 per month. If you have any dependents covered under your High Deductible Health Plan (HDHP), then the maximum is \$7,750 or \$645.83 per month. If you are age 55+, you can make an additional \$1,000/year in catch-up contribution pro-rated for the months you have coverage under the HDHP.

This account will be a personal account that you can continue even if you are no longer here. If you decide to enroll in the HDHP & contribute to the HSA, let us know if you want to have funds payroll deducted and how much on your enrollment form. You can also contribute to your HSA through online banking transfer or personal check to HSA Bank. Just remember to stay within the IRS limits above. Once we have enrolled you, you will be mailed a Welcome Kit from HSA Bank along with a debit card to access your funds. There will also be instructions on how you can check your account, etc. online at www.hsabank.com.

Group health plans and health insurance issuers generally may not, under Federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, Federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under Federal law, require that a provider obtain authorization from the plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours). New Health Insurance Marketplace Coverage Options

Part A: General Information

Healthcare reform created a new way to buy private individual health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage we offer to you. Please note that this notice is informational only.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find private individual health insurance that meets your needs and fits your budget. The marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in November 1, 2020 for coverage starting January 1, 2021.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does the Employment-Based Health Coverage We Offer to You Affect Your Eligibility for Premium Savings through the Marketplace?

Yes. If we have offered you health coverage that meets certain standards, you will not be eligible for a tax credit through the Marketplace and you may wish to enroll in our health plan, if you are eligible. (Just because you received this Marketplace notices does not mean you are eligible.) However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if we do not offer coverage to you at all or do not offer coverage that meets certain standards. If the cost of self-only coverage under our health plan is more than 9.78% of your household income for the year, or if our health plan does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.

Note: If you purchase a health plan through the Marketplace instead of accepting our health plan coverage, then you may lose your contribution (if any) to your coverage under our health plan. Also, our contribution—as well as your employee contribution—is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

How Can I Get More Information About the Health Insurance Marketplace?

The Marketplace can help you evaluate your coverage options, including your eligibility for coverage through the Marketplace and its cost. Please visit HealthCare.gov for more information, including an online application for health insurance coverage and contact information for a Health Insurance Marketplace in your area.

Important Notice from McCurtain Memorial Hospital About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with McCurtain Memorial Hospital and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

- Medicare prescription drug coverage became available in 2006 to everyone with Medicare.
 You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare
 Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare
 drug plans provide at least a standard level of coverage set by Medicare. Some plans may
 also offer more coverage for a higher monthly premium.
- 2. McCurtain Memorial Hospital has determined that the prescription drug coverage offered by Blue Cross Blue Shield MOBAP0030 \$2500 deductible plan is, on average for all plan participants is expected to pay out as much standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.
 If you are covered under the MOBAP1020 \$5,000 deductible HDHP, it is NOT expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore NOT CONSIDERED CREDITABLE COVERAGE. If you have this plan when you are eligible for Medicare, you will have to pay a higher premium (penalty) if you later decide the join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with McCurtain Memorial Hospital and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current Blue Cross Blue Shield coverage will not be affected. You can have both plans and coverage will coordinate with your Part D coverage.

If you decide to join a Medicare drug plan and drop your current McCurtain Memorial Hospital coverage, be aware that you and your dependents will not be able to get this coverage back until open enrollment or if you have a qualifying event that opens up a Special Enrollment.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you are your dependents are already enrolled in Medicaid or CHIP and you live in a state listed on the following page, contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your state Medicaid or CHIP office or dial **1-877-KIDSNOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call 1-866-444-EBSA (3272).

If you live in one of the states listed on the following page, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of January 31, 2023. Contact your state for more information on eligibility. To see if any other states have added a premium assistance program since January 31, 2023, or for more information on special enrollment rights, contact either:
